THE CLARENCE INN | BRECON

Kate, Roger, family and staff offer you a warm welcome at The Clarence Inn, formerly a coach house in days gone by, was re-opened in November 2005 by ourselves to reinstate this community-based public house back into the arms of Brecon and The Watton.

In the Autumn of 2013, major improvements were undertaken, extending the kitchen and upgrading customer facilities to include disabled access toilets and baby changing facilities.

Our aim is to provide quality food and drink in a pleasant and friendly environment.

The pub has the added attraction of a large beer garden with real grass, solid garden furniture and occasionally some sunshine. Also an awning covered area installed complete with lights and heating.

During the Brecon Jazz Festival our garden becomes a venue for the Brecon Fringe where we provide free live music all weekend.

As well as this menu we also provide home cooked roast lunches every Sunday.

Booking is definitely advisable.

Nearby attractions include the recently developed canal wharf located adjacent to Theatr Brycheiniog and the Regimental Museum of The Royal Welsh

WHAT IS BLACK ROCK GRILL?

It's a unique, delicious, healthy interactive dining experience that allows your meal to be presented cooking on our volcanic rocks at your table. You can enjoy a meal freshly prepared and cook it to your personal taste, whether it's rare, medium or well done.

The unique Black Rock Grill method of dining uses super heated rock that seals in all the natural juices, flavours and nutrients. All our produce is trimmed of fat and no oils are used in the cooking process. This guarantees a taste that is unique to Black Rock Grill dining.

For the perfect Black Rock Grill experience, simply cut one or two bite size portions off your chosen meal and lay them on the rock to sear and cook to your liking.

We want you to enjoy your meal so please don't touch the rock, it's very very hot and ensure that poultry is cooked right the way through.
